TUESDAY, NOVEMBER 6TH, IS VOTING DAY

There are many issues before us ... ★ ★ ★ ★ ★

... but every issue is not equal.

- **Issues that directly affect human lives**, such as abortion and euthanasia, are fundamental and demand serious consideration.
- Our Constitution heralds **religious liberty** in the First Amendment, yet increasingly people of faith are having to fight to retain this basic right.
- Our nation has **redefined marriage**. The marriage of a man and a woman is the foundation of the family and an essential core element of a flourishing society.
- The **growing disparity between rich and poor** means most of the world's resources are in the hands of a small percentage of its people. The federal budget is a moral document and we prioritize the poorest and most vulnerable among us.
- The **millions of undocumented persons** living in the United States deserve our compassion. Our immigration system is broken, and we need a humane solution to it.
- **War, terror, and violence** have caused thousands of lost lives. We must work for just solutions to conflict in the Holy Land, throughout the Middle East, and beyond.

As Catholic citizens, we should remember three things:

1. **Respect for the dignity of each person** is the core of Catholic social and moral teaching. This is our most basic principle.
2. **We focus on the common good**, not our own personal interests. We ask, how can we make the world a better place? Not, how can I improve my own personal situation?
3. **We have a responsibility**, a true obligation, to form our consciences and participate in the civic life of this nation.

Here are ways to form our consciences and participate in civic life:

- **Be true to the teachings of the Church.** Read Scripture, the Catechism of the Catholic Church, teachings from the Holy See, and the statements of our bishops. Read "Forming Consciences for Faithful Citizenship" at faithfulcitizenship.org. We need to be sure that our reasoning and judgments are well-grounded in our faith.
- **Stay well-informed about issues** through judicious and reasoned engagement with the immense world of information in the 21st century. Just as all issues are not equal, all sources are not equal. For example, an individual's blog, while potentially very insightful, may not have the same fidelity to factual truth as our media sources that hold themselves to professional standards of journalistic ethics, imperfect though they are.
- **Remain in contact with our representatives** in local, state, and federal government. Our responsibility to form our consciences leads to an obligation to be active citizens.
- **Engage in reasoned, compassionate, and loving dialogue with others**, Catholics and non-Catholics alike, about the issues and choices that we are facing as a nation. Remember that we are all called first to witness the Gospel, and through that witness, to share our social teaching to highlight the moral dimensions of issues, and to participate in debate on public policy.
