- To have a founded hope that children will be raised in the Catholic faith, parents must be *registered* and participating members of St. Peter's for at least 6 months prior to seeking the Sacraments for their children.
- Children must be in a Faith Formation Program, Catholic Home School Program with religious instruction, or Parish school one year prior to their preparation for his or her Sacrament. If your child has not received a sacrament and is over the age of 7, please contact **Mariana Flores** at **803-779-0036** or by email at mariana@visitstpeters.org to determine when and how Sacraments will be received.
- Parents enrolling youth in 1st Communion or Confirmation Preparation should be involved in on-going Adult Formation so you may speak with confidence on matters of the Faith to their children. Please check our website for Adult Faith Formation opportunities both at the Church and online.
